## Venues

With more than 15 different venues both indoors and out, Nimb and Tivoli are every party planner's dream. An intimate dinner for your closest friends and family? Sure. A huge party with loads of guests and dancing into the night? No problem!

The opportunities are endless. Below is a brief introduction to our most popular venues:

### THE ROTUNDA

With its royal blue vaulting and beautiful, unique wallpaper, the Rotunda is the obvious choice for an elegant party. The room is beautiful and different, but not so imposing in style that it steals all the attention.

### THE CUPOLA

The Cupola may be one of Nimb's smallest function rooms, but with its long, lacquered table, beautiful Wegner chairs and the best view of Tivoli, it is still pretty impressive. Adorned with Royal Copenhagen china and with table decorations by Nimb's in-house florist, it is perfect for a small function.

### NIMB BAR

Nimb Bar was the ballroom in the original building, and the original crystal chandeliers, dating from 1909, hang from the ceiling. The walls are decorated with murals by renowned Danish artist Cathrine Raben Davidsen, and the room features an imposing fireplace. It's one of our most beautiful rooms, and there's an implicit sense of all the wonderful parties held here through the years.

## THE MIRROR ROOM

With its own entrance to Tivoli and huge panoramic windows facing onto the Gardens, the Mirror Room combines the elegance of Nimb with the magic of Tivoli. This beautiful room with its mirrored ceiling is suitable for everything from brunch to smaller dinner parties.

## THE BALANCHINE LOUNGE

At the top of the Tivoli Concert Hall is the Balanchine Lounge, offering matchless views of Tivoli. Featuring an impressive roof terrace, it is the perfect choice for a summer party, with chefs barbecuing delicacies while the bartender serves up drinks to be enjoyed in the sun.

## THE AQUARIUM FOYER

Experience 30 metres of tropical coral reefs and 270,000 litres of water in the longest saltwater aquarium in Europe. The unique aquarium graces one entire side of the Aquarium Foyer. Enjoy the sight of a fascinating blacktip reef shark and many other colourful fish swimming by during dinner, lending that extra dimension to your party while the DJs are playing.

## GEMYSE

Fulfil your dream of a true garden party! The entrance to Gemyse is designed in glass like a greenhouse, and the restaurant is decorated in an elegantly rustic style, with large windows, open spaces, a view of the kitchen gardens and a long table for guests.
