

One Great George Street
Venue in the heart of Westminster

One Great Venue...

One Great George Street is an award-winning central London conference and wedding venue. It is surrounded by many landmarks such as the Houses of Parliament, Westminster Abbey and one of London's most ornamental parks, St James's Park.

This magnificent four-domed Edwardian building is ideal for conferences, meetings, gala dinners, press conferences as well as superior wedding ceremonies and receptions.

Whether you simply need one boardroom or a large plenary with smaller breakouts; every event at One Great George Street is allocated a dedicated Event Co-ordinator.

From the many fine traditionally decorated rooms to the purpose-built theatres, every room and every hall has a story to tell.

One Great George Street is at the very heart of the capital's cultural and political life. It is renowned for its high quality of standards, service, ideal location and excellent transport links.

A venue for every occasion from 5 to 400 guests
for a reception or 220 for a dinner dance.

One Successful Meeting...

Whether you are looking to hold a small meeting for 10, a large conference for over 100 or an elegant gala dinner, this central London venue has a room to suit any occasion.

Our rooms are very versatile and vary from the elaborate and traditional to the more modern and simple. All rooms have air conditioning.

One Great George Street will allocate a dedicated Event Co-ordinator, who will help organise every aspect of your conference, meeting or corporate event.

Many of our rooms have adjoining rooms ideally placed to combine business meeting with social entertaining.

The Great Hall is our most magnificent room with part marble walls, gold leaf detail and an oak floor. Its elaborate painted ceiling and crystal chandeliers commemorate the Institution of Civil Engineers' members who served during the First World War.

On the ground floor the Smeaton, Brunel and Council rooms are all able to host at least 100 people. These are decorated with antique wood paneling, chandeliers and many works of art.

On the lower ground floor there is a business centre as well as several smaller meeting rooms ideal for break-out rooms, training, committees and boardroom meetings.

Various adaptations have been made to this historical building to include accessible products and features. The lift at the front door allows visitors with mobility challenges access in and out of the building. Once inside there is step free access to all floors. Also installed are handrails and ramps, accessible bathrooms and hearing loops.

We have two fully equipped, purpose built theatres. The Telford Theatre can accommodate 240 and the Godfrey Mitchell up to 106.

One Perfect Wedding Day...

We pride ourselves on the standard of care and attention to detail we uphold.

Here at One Great George Street we give you exclusive use of the venue and unlike many other venues, One Great George Street has a dedicated Wedding Co-ordinator, who works solely with our wedding clients. They will discuss your specific needs, recommend the best rooms and will work with you right through to and on to the big day. Unique and memorable gourmet dishes tried and tested at your tasting session will be paired with beautiful wines that work in harmony with your menu.

We have seven beautiful areas licensed for civil marriage and civil partnership ceremonies including the stunning main foyer. This enables couples who wish to combine a civil ceremony with a separate religious blessing to use two separate areas at no extra charge.

Memorable photographs will no doubt be important to capture the spirit of your day. Here at One Great George Street our traditional and elegant surroundings or St James's Park can provide a magical backdrop and can be combined with a selection of photographs of Big Ben and the Houses of Parliament just a short one minute walk away.

A dazzling and flawless reception in one of the most prestigious addresses and impressive surroundings.
